Investment Philosophy

- Our investment philosophy is to aim for growth without compromising the quality of stocks that we buy in the portfolio.
- Within that stock selection is primarily based on following criteria:
 - a) Change at margin
 - Change in management
 - Competitive landscape
 - Large capacity addition / operating leverage
 - Breakthrough in technology / products
 - b) Leadership / large market share in respective areas of operation
 - c) Wide canvas of opportunity / market available for the business.
 - d) Good quality management
